**GIFT AID DECLARATION**

*Yes, I want to support the work of Sussex Horse Rescue Trust*

Since 2006, charities have been able to reclaim the tax that you have paid on your donations at no extra cost to you. As long as you pay income tax in the UK, all you need to do is grant us permission to reclaim the tax that you have already paid on your donation. Once you have given us this permission we are able to continue reclaiming the tax on any further donations you make to us until you tell us to stop.

You are under no obligation to make any further donations and there is no minimum donation. If you choose to participate in this scheme, it will mean that Sussex Horse Rescue Trust can reclaim 25p for every £1 you donate, so, for example, if you donate £10 and sign a Gift Aid declaration, we can claim an additional £2.50.

You can join the scheme even if you are already a regular donor to the Trust by simply filling in and returning this form to us.

If you would like to participate and increase the value of your donation to us, please fill in the declaration below and return to the Trust.
